3. Supervisory activities of the BOD over the Executive Board:

In 2025, the BOD of the Company held 28 direct BOD meetings and issued 33 resolutions on strategic issues and key decisions related to the Company's production and business activities within the authority of the BOD; considered opinions, recommendations, and proposals from the company's executive apparatus to collaboratively overcome

challenges and successfully achieve the production and business objectives for 2025.

The BOD has directed and conducted regular and quarterly supervision activities for the company's executive apparatus to ensure compliance with the provisions of the Law, the Charter, and Regulations on internal operations of the Company:

- Directing and monitoring the implementation of Resolutions from the GMS and BOD.

- Directing and supervising the execution of project investments, directing and urging the Executive Board to implement business plans and capital construction investment in 2025.

- Organizing and directing the strict implementation of the financial reporting regime in 2025, annual reports, and periodic or extraordinary corporate governance reports as required by the State Securities Commission (SSC) and the Hanoi Stock Exchange to ensure transparent and fair information disclosure among shareholders while respecting the interests of related parties.

Through these directives, inspections, and supervisory activities, the BOD evaluated the Executive Board's performance in 2025 as follows:

- The Executive Board fulfilled its duties in accordance with the governance structure and authority delegated under the company's Internal Governance regulations, and fully implemented the Resolutions of the BOD and the GMS.

- The Executive Board successfully executed the company's assigned tasks and plans for 2025, operated in alignment with the company's strategic development direction, and achieved a balanced approach to economic, social, and environmental benefits.

- Investment and capital construction activities in 2025 were carried out in compliance with the Resolutions of the GMS, the BOD, and the current legal provisions of the State.

- Financial management was effectively implemented, ensuring balanced capital sources for investment, production and business activities.

- Successfully organized the 2025 Annual General Meeting of Shareholders (on April 22, 2025) in accordance with legal requirements.

- Corporate discipline was maintained and continuously improved, with management and administration conducted professionally and transparently. The management system was synchronized and updated promptly.

- The Company strictly adhered to the regulations on information disclosure, ensuring that all relevant information was publicly and promptly disclosed via the SSC's IDS system, submitted to the SSC and HNX, and published on the company's website, in compliance with the regulations on information disclosure of the SSC and the Regulations of the Hanoi Stock Exchange.

- Fully complied with periodic or extraordinary reporting requirements upon request, regarding the company's production and business activities, investment, and capital construction. All reports were comprehensive, detailed, accurate, and promptly provided to the BOD and the BOS.
